#### Tick your choice of the following free DVDs;

*Distribution funded by the Australian Government Department of Health and Ageing;*

1008 – **Live Strong: Closing the Gap on Chronic Disease**

A 26 minute documentary emphasising that the gap in life expectancy cannot be closed unless chronic disease issues are addressed in an approach that values autonomy, cultural identity, and community responsibility.

1001s – **Musculoskeletal Guideline Series (4 – part series)**

A DVD set of four (4) x 60 minute programs on the 2010 musculoskeletal guidelines.

902 & 903 - **Stay Strong & Strong and Deadly**

Each is a 26 minute documentary looking at Indigenous youth.

Free copies of these two programs are available (on one DVD) for *Indigenous organisations only*.

**Limited offer to bona fide Australian health professionals (one copy or set per individual or organisation).**

**Please notify me of upcoming programs and events available from the Foundation**
